

Macleay Valley Economic Development and Tourism Strategy

Invitation to Consultation Workshop

Kempsey Shire Council is hosting industry based consultation workshops targeting specialised industry sectors as part of the preparation of the Macleay Valley Economic Development and Tourism Strategy. You are invited to attend one of the workshops that is most appropriate for your interests. The workshops will be conducted by Council's consultants, SC Lennon and Associates, who have prepared a Discussion paper and an Information Sheet, that will form the basis of the workshop activity. A copy is attached.
