Rates Map 2025-2026

How to read the Rates Maps 2025-2026

The following maps for the urban stormwater levy and business urban rates should be read together with Council's Revenue Policy 2025-2026.

Stormwater Levy

There are approximately 9,004 properties assessed for the urban stormwater levy across the Kempsey Shire. These properties are shown in yellow on the rates maps.

Business Urban

There are approximately 525 businesses assessed for the purposes of the 'Business Urban' rate. These businesses are primarily located in the urban areas of Kempsey, Crescent Head and South West Rocks. These businesses are located in the area shown in blue on the rates maps. Businesses located outside this area are rated as 'Business Other'.
