| 52 Naming of Public Facilities/Places              | 44                     |

## GST STATUS

Council applies various fees, charges and fines. Many of these fees and charges are determined by legislation, and as thus are not subject to amendment by Council. The GST status of these fees and charges depends on whether there is consideration for supply. Some fees and charges are exempt from GST in accordance with the Federal Treasurer's Determination under section 81-5 of the A New Tax System (GST) Act 1999. The GST status of each fee or charge is noted in the right-hand column of this document's tables.

### GST Amendments

While the fee amount in this document will not alter without a resolution of Council, followed by a subsequent period on public exhibition, the applicability of the GST to the fees and charges may, depending on the interpretations and rulings as the GST legislation evolves.

### GST implications on non-domestic annual charges

The Australian Taxation Office has reviewed the GST implications on compulsory and non-compulsory Section 501 annual charges for non-domestic waste and determined that they will be taxable from 1 July 2013.

## PRICING POLICY - KEY TO SYMBOLS

The letters appearing in the right side margin of Council's Fees and Charges, indicate Council's policy with respect to the pricing of the services provided (LGA1993- S404(1)) and have the meanings indicated below:-

| <b>Pricing Policy</b>                                                                                                                                                                                                                                                                          | <b>Code</b> |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------|
| <b>Regulated Charges</b><br>Federal or State Government set charges                                                                                                                                                                                                                            | <b>A</b>    |
| To adopt the price or rate recommended by an advisory organisation.                                                                                                                                                                                                                            | <b>B</b>    |
| <b>Market Forces</b><br>Services which Council operates in a competitive market and needs to fix charges similar to other providers                                                                                                                                                            | <b>C</b>    |
| To recover the full cost of annual operation and maintenance and to make a contribution to the cost of replacement of the assets utilised in providing the service.                                                                                                                            | <b>D</b>    |
| To recover the full cost of either:-<br>i). annual operation and maintenance; or<br>ii). the actual costs involved in providing the good/service.                                                                                                                                              | <b>E</b>    |
| To recover the operating costs but discounted to take account of:-<br>i). the ability of the consumer to pay;<br>ii). market pricing conditions; and<br>iii). the benefits of the service to the overall community.<br>The balance of the costs for this service are met from general revenue. | <b>F</b>    |
| To charge prices similar to those applied by other councils for like goods/services.                                                                                                                                                                                                           | <b>G</b>    |

### **Note:**

**Regulated charges incorporated within this document are current as at the date of publication and will be updated in accordance with legislative amendments**
