

2026-27 Operational Plan

Bridges

\$3.11M capital investment in bridges

This fact sheet has been prepared to help the community understand what Council plans to deliver across key areas in the 2026–27 Operational Plan.

Below are the key bridge capital projects starting in 2026-27:

Bridge replacements

- EC.OP30: Replacement of Dungay Creek Bridge, Yessabah
- EC.OP26: Deliver bridge maintenance program with maintenance work on defects undertaken based on assessment of risk and priority and deliver bridge replacement projects including:
 - *Replacement of McCoy's Bridge, Moparrabah*
 - *Replacement of Lemon Tree Gully Bridge, Warbro*
 - *Replacement of Ptolemy's Bridge, Collombatti*
 - *Replacement of Pipers Creek Bridge, Kundabung*
 - *Replacement of Black Bullock Bridge, Upper Macleay*
 - *Replacement of Gomera Bridge, Gomera*

Annual programs and operational projects

While key capital projects are outlined above, Council also delivers a range of ongoing programs and projects funded through the operating budget to support the maintenance of local bridges. This includes implementation of the bridge maintenance program, with defects addressed based on assessed risk and priority, supported by ongoing asset condition monitoring and replacement planning.

Note: Financial investment in accordance with Appendix 2 of the 2026-27 draft Operational Plan: Capital Works Projects >\$50,000. references next to projects i.e EC.OP30 are the Operational Plan action number for 2026-27.
